

**08:30-09:00** Registration & Coffee

**09:00-09:10** WELCOME

**Charlotte Dubec**, *Climate Leader for Global Aviation and Space, WTW*  
**Ulrike Ziegler**, *President, impact on sustainable aviation e.V.*

**09:10-09:40** KEYNOTE

**Jason Burnett**

*Chair - Board of Trustees, The Lucile and David Packard Foundation*

**09:40-11:40** **SESSION 1:**  
**WHERE ARE WE REALLY?**  
**A DECARBONIZATION REALITY CHECK**

**Speakers:**

- *Status industry emissions: 2019, now, and beyond*
- *Aircraft technology (new tech – update electric/H2 – engines)*
- *Contrail mitigation*
- *CDR/CO<sub>2</sub> removal*
- *Sustainable Aviation Fuel usage & production*

- *Prof. Andreas Schäfer, University College London*
- *Jacqueline Castle, Chief Technology Officer, Aerospace Technology Institute*
- *Prof. Nicholas Bellouin, Professor, University of Reading*
- *Gaurav Sant, Founding Director, Institute for Carbon Management, UCLA & Robert Höglund, Co-founder, CDR.fyi*
- *Valentin Batteiger, Coordinator Future Aviation Fuels, Bauhaus Luftfahrt & Giulia Squadrin, Business Development Manager, Argus Media*

**11:40-12:00**

**Coffee**

**12:00-13:30** **SESSION 2A:**  
**CRACKING THE FID CODE: WHAT IT TAKES TO FUND CLEAN AVIATION PROJECTS**

**Moderated by:**

*SAF CASE STUDY: Finance & risk – Breaking the bottleneck and understanding/defining the struggles*

- *Ben Chapman, Director, ICF & Alina Viehweber, Manager, ICF*

**Speakers:**

- *Roisin Crowe, Climate Change and Sustainability Manager, UK Export Finance*
- *Jeroen Erdman, Director Mergers, Acquisitions & Holdings, KLM*
- *Wouter Hertzberger, Partner, Norton Rose Fulbright LLP*
- *Kenza Hindi, Associate, Macquarie Asset Management*
- *Glenn Morgan, Partner, SkiesFifty*
- *Jimmy Samartzis, CEO LanzaJet*
- *Soichiro Sekito, Head of Corporate & Structured Finance (EMEA), DBJ*
- *Jan Toschka, CEO Zaffra*
- *Theye Veen, CCO SkyNRG*

**13:30-14:30**

**Lunch**

**14:30-15:00** **SESSION 2B:**  
**FROM SHOCK TO SHIFT: GEOPOLITICS, ENERGY SECURITY AND AVIATION'S NET ZERO PATH**

**Moderated by:**

- *Jörg Schirmmacher, Head of Transport Finance, Helaba*

**Speakers:**

- *Rose Oates, Senior Associate - Renewable Fuels Team, Bloomberg NEF*
- *Claudia Hügel, Head of ESG Rating & Reporting, Deutsche Lufthansa AG*

**15:00-16:15** **SESSION 3:**  
**SAF - WHAT NEEDS TO HAPPEN NOW? WHO'S IN CHARGE AND WHO'S PAYING THE BILL?**

**Moderated by:**

*SAF market activation*

- *Shashank Nigam, Founder & CEO SimpliFlying*

**Speakers:**

- *Freya Burton, Chief Sustainability Officer, LanzaTech*
- *Ger Komori, SVP Climate Solutions, SMBC Aviation Capital*
- *Hemant Mistry, Director, Net Zero Transition, IATA*
- *Damien Meadows, Advisor on European and International Carbon Markets, European Commission*
- *Arnaud Namer, Co-founder and CEO, ATOBA Energy*

**16:15-16:30**

**Coffee**

**16:30-17:45** **SESSION 4: AVOIDING DISTRACTION: WHAT CONTRAILS CAN (AND CANNOT) DELIVER**

**Moderated by:**

- *State of science*
- *Uncertainty vs measurable results*
- *Technology requirements and respective timeline for implementation*
- *Trade-offs, e.g. additional fuel-burn*
- *Low-aromatics jet fuel*

- *Patrick Edmond, Chief Commercial Officer, Future Energy Global*

**Speakers:**

- *Alex Beaux, Director, Aerospace Carbon Solutions, GE Aerospace*
- *Assoc. Prof. Sebastian Eastham, Imperial College London*
- *Deniz Rhode, Associate Researcher on the Aviation Team, ICCT*
- *Lahiru Ranasinghe, Director of Sustainability, EasyJet*

**17:45-19:15** **CLOSING REMARKS & DRINKS**

**James Wood**, *Manager - Transport Programme, European Climate Foundation*

**08:30-09:00 Registration & Coffee**

**09:00-10:30 SESSION 5: CARBON OFFSETS & CREDIBILITY: THE FUTURE OF MARKET-BASED MEASURES**

- Value of CDR for aviation
- Credible MRV systems for offsets
- The status and impact of CORSIA and Article 6
- Struggles/successes of (tech-/nature-based) CDR projects and bankability
- Impact of CDR removal on demand, airline cost and profits

**Two sub-sessions moderated by:**

- Gaurav Sant, *Founding Director, Institute for Carbon Management, UCLA*
- Charlie Parkin, *Head of Business Development, Isometric*

**Speakers:**

- Oliver Colman, *Senior Director, Alternative Credit and Carbon Credit Insurance, WTW*
- Lev Gantly, *Partner in the Climate Projects Group, Philip Lee LLP*
- Steve Kelly, *President and General Manager, 1PointFive International*
- George Robinson, *Head of Policy, Isometric*
- Gaurav Sant, *Founding Director, Institute for Carbon Management, UCLA*

**10:30-11:00 Fireside Chat**

**Fred Krupp**, *President, Environmental Defense Fund;*  
**Sheila Remes**, *former VP Environmental Sustainability, The Boeing Company*

**11:00-11:15 Coffee**

**11:15-12:30 SESSION 6: OEM SOLUTIONS FOR NET ZERO: WHAT WILL TRULY DELIVER?**

- What truly scales before 2035 - and what doesn't
- How far incremental aircraft design can still go
- How risky today's fuel and energy assumptions really are
- Whether certification and infrastructure enable or block progress
- What would actually move the needle by 2035

**Moderated by:**

- Michael Halaby, *Head of Aviation Advisory, MUFG*

**Speakers:**

- Mark Bentall, *Head of R&T, Airbus*
- Adam Morton, *Head of Technology: Sustainability & Strategy, ATI*
- James McMicking, *Chief Strategy Officer, ZeroAvia*
- Regina Pouzol, *Director Sustainable Flight, Deutsche Aircraft*
- Nathalie Stubler, *Chief Sustainability Officer, Safran*
- Richard Wynne, *Managing Director – Product Marketing, Boeing Commercial Airplanes (BCA)*

**12:30-13:30**

**Lunch**

**13:30-14:45 SESSION 7: WHAT ARE WE PAYING ALREADY? WHAT HAS YET TO BE SUBSTANTIATED?**

- Macroeconomic impacts on aviation, transition/physical risk (incl. stranded asset risk)
- Cost of insurance and remediation
- Carbon pricing

**Moderated by:**

- Prof. Tom Conlon, *University College Dublin*

**Speakers:**

- Will McClintock, *Senior Manager - Sustainability & Markets, IBA*
- Mary Troude, *Customer Success, PACE*
- Joe Walford, *Senior Underwriter – Aerospace, Convex Insurance UK*
- Robert White, *Managing Director, Global Head of ESG for Financial Sponsors and EMEA ESG Market Solutions, Natixis*
- Sola Zheng, *Senior Researcher, ICCT*

**14:45-16:00 SESSION 8: INFRASTRUCTURE READINESS: SAF, H2, ELECTRIFICATION – IS INFRASTRUCTURE READY? / WHAT DO WE NEED TO DO TO ENABLE THE FUTURE?**

- Requirements for airport readiness, status and investment needs
- Understanding the planning cycle and potential disconnect between airport infrastructure readiness vs planning cycle of SAF, electric, H2
- Coordination across the global airport network
- Engine readiness for SAF variations/mixes
- Grid availability for electric flying

**Moderated by:**

- Nikhil Sachdeva, *Former Head of Aviation Sustainability, Roland Berger*

**Speakers:**

- Stefan Barrow, *Managing Director, MUFG*
- Greg Easter, *Civil Servant, UK DfT*
- Thomas Harrison, *Head of Decarbonisation, Manchester Airport*
- Matt Prescott, *Director, Iken Associates*
- Jan-Petter Steinland, *Director Strategic Analysis & Transformation, Norwegian Civil Aviation Authority*

**16:00-17:00 CLOSING REMARKS & Coffee**

**Emily Hickson**, *Climate Catalyst*  
**Ulrike Ziegler**, *impact*
