

# Krystina Matoulkova

Assistant Manager Sustainability Programs at IATA

5:15 – 6:05 pm Panel “Challenges and opportunities around nature-based voluntary carbon offsets”

Krystina Matoulkova is an Assistant Manager in Sustainability Programs team at IATA. Since joining the team in May 2023, she has been working on topics related to CO2 calculations, carbon offsetting, net zero tracking and IATA SAF Registry. Prior to her experience in sustainability, Krystyna worked for four years as an Economist at IATA Economics team, focusing on airlines' financial and environmental performance. She holds a master's degree in Behavioural Economics from Erasmus University Rotterdam.
