

# Maxime Molenaar

Team Manager Products at SkyNRG

4:15 – 5:05 pm Panel “Corporate clients and the ramp-up of SAF & Carbon capture solutions”

Maxime Molenaar is Team Manager Products at SkyNRG, a global leader in the development of Sustainable Aviation Fuel (SAF), based in the Netherlands. She is responsible for products and commercial strategy; helping air transport providers, corporates, individual travelers, and other industry players to reduce their footprint through SAF.

Maxime has a background in asset management as ESG specialist and climate lead, setting climate strategies for a >\$60 billion portfolio. Maxime holds a Master’s degree in Political Science from the University of Amsterdam.
