

Natasha Robinson

Joint Head Low Carbon Fuels at UK Department for Transport

3:25 – 4:15 pm Panel “Who pays the SAF bill? – Dealing with the cost mark-up”

impact
ON SUSTAINABLE AVIATION

Natasha has jointly led the Low Carbon Fuels team in the Department for Transport since September 2023. Her work particularly focuses on Sustainable Aviation Fuel and developing commercial capability in the UK. Before that she has had a wide variety of roles within the Department for Transport. This includes six years as head of the Office for Zero Emission Vehicles, three years in finance with overall responsibility for planning the Department’s medium and long-term budgets and three years as Principal Private Secretary for State for Transport.
